PLAINTIFF'S VERIFIED MOTION FOR PROCEEDINGS SUPPLEMENTAL TO EXECUTION

Comes now the Plaintiff/counsel for the Plaintiff and shows to the Court that the Plaintiff is the owner of a judgment against the Defendant entered in this cause on the \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_, and that there remains an unpaid balance in the sum of \$ \_\_\_\_\_, together with interest thereon.

Further, that the Plaintiff has no cause to believe that levy of execution against the judgment Defendant will satisfy the judgment. Further, that he believes that the garnishee defendant has or will have property of or an obligation owing to the judgment Defendant subject to execution on proceedings supplemental to execution.

Wherefore, the affiant prays that the garnishee defendant be ordered to answer the interrogatories submitted with this motion, by mail, and that the Defendant, be ordered to appear before the Court to answer as to his non-exempt property subject to execution and proceedings supplemental to execution, or to apply such property toward satisfaction of the judgment herein.

That he affirms under the penalties for perjury that the foregoing representations are true and certifies that on this date he has caused a copy of this motion, together with a copy of the order entered hereon, to be served upon the judgment Defendant, \_\_\_\_\_, by
